

BE CONNECTED AND IN THE KNOW...

CASE will be using twitter to send out alerts and expand the CASE communication network. You will get important announcements and breaking news.

Create your own twitter.com account and follow CASE... here's how:

1 On your computer, go to <http://twitter.com> and click on this button.

Get Started—Join!

Done!

5 To get tweets on your cell phone, click the "Device updates off" link and change the setting to On... you will now get our tweets right on your phone!

2 Complete this simple form. You will need to remember the Username and password. Once you click "Create my account," go to your email and look for a confirmation message. It will have a link you need to click to complete your registration... that's all it takes!

4 Once you have a twitter account and you are signed in, visit <http://twitter.com/CASEducation> Click on the "Follow" button

3 Now return to <http://twitter.com> and login. Click Settings and Devices. Enter your cell phone number beginning with +1 and check the box... click Save.

Twitter is more fun when used through your mobile phone. Set yours up!

Mobile Phone

Please precede your number with a "+" and your country code (leaving off the leading 0 of your number if applicable). Examples: +447781488126 or +12125551212. [Need help?](#)

Save Ex.: +13035555555

It's okay for Twitter to send txt messages to my phone. Standard rates apply.

You will get a text message... follow the directions.
